OUR SERVICES

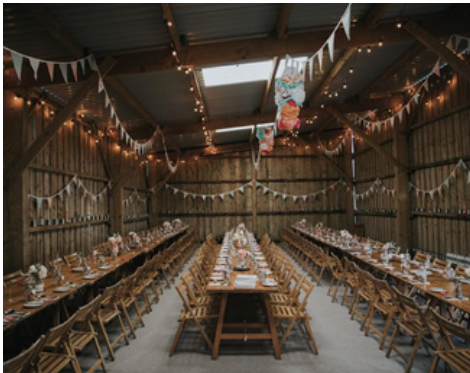

Your wedding day is one of the most important days of your life, and you want to make sure it's perfect. That's why you're considering Manhay Farm for your wedding venue. We offer everything you need to create a truly memorable celebration, from the stunning rustic setting to the personalised service. Not just a venue, we can source everything from tables and chairs, linens, glassware, silverware, catering, bar service, and entertainment.

OUR VENUE

Our barns are on a beautiful former dairy farm, surrounded by rolling hills and lush meadows. The barn features high ceilings, exposed beams, and carpeted floors, creating a warm and inviting atmosphere.

The larger barn seats 110 guests on banqueting tables and our smaller barn seat up to 50 guests on rounds.

Need more room? No problem. We can add a marquee onto any of our barns.

BARNs

Our sub-tropical garden is secluded, surrounded by lush greenery, palms, and fragrant flowers. The large decking area overlooking the pond is the garden's focal point, its tranquil waters reflecting the surroundings. The stream feeds the pond, home to various fish, frogs, and dragonflies. Birdsong fills the air, and butterflies flit from flower to flower. A genuinely magical summer venue that is perfect for renewing your vows or holding an intimate wedding reception to celebrate your love with your closest friends and family.
